

*Welcome to our website!*

*Thank you for visiting, and please take a few minutes to read about our mission and browse our dropdown menus for all of our club's latest news. This year we are 79 women strong, doing important work to "improve the lives of women and girls through programs leading to social and economic empowerment."*

*In order to successfully fulfill our mission, we plan two fundraising events per year: Cabin Fever and Secret Gardens (celebrating its 25th anniversary next summer!). Please click on "Events" for dates and information and consider attending. Read about our awards for local women and girls, as well as grants for local and global organizations. Our signature project, Hope and Power is well underway, as well as our new project, Dream It Be It.*

*Enjoy the wealth of information, consider a donation – or join us in service – for a worthy cause! It's fun, rewarding, and an opportunity to meet new friends. Please contact us if you have any questions.*

*Tammy Arquette*

*President, Soroptimist of Saratoga County*
